

## **Finance Project Manager**

Intrinz Inc. Reno, Nevada (On-site and Remote potential opportunities)

Intrinz Inc. is a woman owned, minority owned management consulting firm based in Fishers, Indiana. Our global client has a need for Finance Project Managers that are adaptable to working effectively within a complex organizational structure as they are assigned to various projects.

### **Work Description**

The incumbents will support the client's Finance team to launch new initiatives for the advertising business. The work will involve effective engagement with stakeholders to design, build and test requirements for compliant E2E finance process, including adequate controls.

The ideal candidate will have a strong well-rounded financial acumen with a strong foundation in accounting and/or internal audit. Some exposure to international transactions, critical thinker with ability to work with multiple systems and cross functional teams.

Additionally, this role requires strong problem-solving skills with the ability to look at what could be happening, watch for trends within the process in the ERP. Exposure and understanding of digital payments and how they flow from one system into SAP ERP system. The incumbent will provide ongoing project management services and related accounting/finance support as directed. Revenue recognition experience a plus.

### **Expectation**

- Project Management experience
- Exposure to flow of digital payments
- Strong critical thinking/problem solving skills
- Analytical thinking
- Work Project timetables
- Meeting agendas
- Documented process flows and deliverables
- Documented test results
- Documented communications with stakeholders
- Other Finance readiness documentation required by Client
- Revenue recognition experience

Assignment expected to be 12 months with potential 6 months extension.

**Potential salary range:** \$55 to \$75 p/hr.
